UNIFORM

AUSTIN COVE BAPTIST COLLEGE Policy

Purpose

Austin Cove Baptist College has a uniform code which states that all students who attend the College will be required to wear the correct College uniform in a neat, clean and well presented manner. All students are required to wear the uniform in a manner which is a credit to both the student and the College.

This uniform policy is seen as contributing to:

- i. Improving morale, community spirit and pride in the College.
- ii. Ensuring that students are safely and appropriately dressed for College activities.
- iii. Encouraging equity amongst students and therefore reducing rivalry.
- iv. Identifying non-College students/children who may be visiting the College campus.
- v. Fostering and enhancing the public image of the College.

The girls' summer dress and winter skirt should be a suitable length for wearing with the College jumper or the College blazer. Dress and skirt length should be no shorter than mid knee-cap. To ensure that the pleats hang correctly, skirts should not be rolled up at the waistband.
