6	Business Management & Enterprise*	Mathematics Specialist	Human Biology*		Materials – Wood	Human Biology*	Cert II Music*	
<b>Other</b>		Physical Education		Study			Select 1 only	

**Instructions:**

This form must be completed by all prospective Year 11 students by choosing **1 subject only** from each of the lines 1 to 6, by circling or highlighting the course.

**Recommendations:**

ATAR pathway: select 5 or 6 ATAR subjects.

General pathway: select 6 General subjects or 5 General and 1 VET course.

Foundation pathway: if you have not yet passed the OLNA we encourage you to choose Mathematics and English Foundation plus 1 VET course has to be chosen. Food is not to be chosen.

Students have an option to choose Physical Education or Study for 2 periods a week. They will make the decision once and are not able to change through the year. Please circle one only.

\*Courses combined in some capacity so numbers are limited

\*\*For Outdoor Education, students are required to pass a fitness and swimming test at the commencement of the course and students will need to supply their own 80L hiking rucksack, boots, long sleeved clothes, wide brimmed hat and sleeping bag. Plus a mountain bike, helmet, snorkel, goggles, fins and rain jacket. An optional item would include a wetsuit if students are prone to getting cold.

**Please book a meeting with the Deputy Principal - Curriculum if considering any of the below options:**

- Early Childhood Education Certificate III (\$799 cost)
- Certificate II or III in Business (\$799 cost)
- TAFE – 1 day per week maximum
- Workplace Learning
